**Nelly Sosa** / El Árbol Menta es un lugar para crecer en la alegría y en la fe formado por una comunidad de Mujeres Católicas en diferentes etapas de la vida. Sending flowers is expensive – you can spend a lot and still not express exactly what’s on your heart. But what if you can send flowers that will be appreciated now, and remembered years later? We’re Catholic, and we make and ship only one thing: Heavenly Fresh Flower Rosaries made from real roses. You can know your gift will be appreciated because roses are beautiful, Heaven is real, and prayer is powerful. While we’re making your life-sized Fresh Rosary, we pray for you and for those who will receive it.

**Lynda Rozell** / Author of *Return to Me: Visits to the Tabernacle* / [www.TinCanPilgrim.com](http://www.TinCanPilgrim.com)

Rozell has cruised the US in her Airstream since 2018. Her travels have brought her to hundreds of tabernacles, which provide these reflections on the symbolism, history, and rich spirituality of the tabernacle itself. Her reflections draw readers to adoration at the tabernacle outside of a formal holy hour. *Return to Me* helps readers deepen their devotion to Jesus in His Real Presence. In addition to reflections from Scripture and tradition, the book includes photographs of tabernacles visited by the author to help guide the reader’s prayer and meditation by showing the reader how to use visual images as a starting point for prayer.
